

Kalamazoo Public Schools
Graduation Rate: Cummulative Promotion Index (CPI)*

The CPI as a graduation rate relies on diploma and enrollment data and estimates the on-time graduation rate for high school students. It should be noted that the weakness of the CPI is it is affected by an increase or decrease in student population. So, if there is an influx of students moving to the district, then the CPI will go up, whereas if students move out the CPI will go down.

School Year	High School	9-Fall	9-Spring	10-Fall	10-Spring	11-Fall	11-Spring	12-Fall	12-Spring	Grads	CPI Graduation Rate

Reg. Total' uses only the traditional high schools which are Kalamazoo Central and Loy Norrix.

Alt. Ed' uses only the alternative education programs. The Alternative Ed. Program has a tendency to change and this should be kept in mind.

'Total' combines the Reg. Total and Alt Ed. programs.

1993-94: Alt Ed students aged 16-20 counted in Parchment

1994-95: Alt Ed students aged 16-20 counted in KPS as AE/Adult Ed

1997-98: Phoenix started

1998-99: Alt Ed students graduate from alternative program. Prior to 98-99 they went back to their home school to graduate.

2001-02: CEYF & Phoenix combined

2003-04: CEYF/Phoenix combined with Vine to create New City

2005-07: Alt Ed Phoenix/New City and Reach and Teach
