

Field	Field title on browser interface/descriptive title	Definition	Use
Program	Program Name	This is the official name of the scholarship program.	Browser interface and downloads
ID		numerical ID starting with 1 that will help keep track of programs, especially if names change, etc.	Download only
serves_adults		Following the AIR CARPE definition, whether the program serves adult learners. https://freecollegeprogramsforadults.org/Final_Fre	Download only
Calif_College_Promise_Grant		Program is part of the California College Promise Grant, an enrollment fee waiver for eligible students.	Download only
Michigan Promise Zone		One of 10 local Promise programs authorized by the State of Michigan and funded in part by State Education Tax	Download only
date_announce_month		The month in which the program was announced.	Download only
date_announce_year	Year Announced	The year in which the program was announced.	Browser interface and downloads
date_announce_notes		Provides additional information on the date of announcement.	Download only
date_implement_year	Year Implemented	The year the program became operational.	Download only
date_implement_notes		Provides additional information on the date of implementation.	Download only
state	State	The state where the program originates.	Browser interface and downloads
state_fips		A 2-digit Federal Information Processing Standards (FIPS) code identifying the state location of the program.	Download only
eligible_geo	Type of Geographic Area	Type of geographic jurisdiction in which the program operates.	Download only
geo_name	Area Covered	The program's specific geographic name.	Browser interface and downloads
geo_code		Code for specific geography of program used for mapping.	Download only
alt_eligible_geo		Closest geography type for matching other data	Download only
alt_eligible_geoid		Closest geography code for matching other data	Download only
nces_sch_ID		National Center for Educational Statistics school building identification code.	Download only
nces_dist_ID		National Center for Educational Statistics school district identification code.	Download only
city_fips		A Federal Information Processing Standards (FIPS) code identifying the city location(s) of the program.	Download only
county_fips		A Federal Information Processing Standards (FIPS) code identifying the county location(s) of the program.	Download only
statewide_programs_fips		A Federal Information Processing Standards (FIPS) code identifying the state of the program.	Download only
zipcode_number		Zip codes that identify the location(s) of the program	Download only
high_school_name		List of high schools whose graduates are eligible for the given program	Download only
district_name		Name of school district(s) for district-based programs	Download only
city		Name of city(ies) of program where the program is located.	Download only
county		Name of county where the program is located.	Download only
funder	Funder Name	List of the source(s) of funding for the program.	Browser interface and downloads
fund_type	Funder Type	Indicates whether the program's funding source is public, private or mixed.	Browser interface and downloads
student_eligibility	Student Eligibility	Indicates whether eligibility is limited or not to student characteristics.	Download only
comm_inst_based	Community or institution based	Indicates whether the program funding and organization originated in the community or from an institution	Download only
early_commitment	Early Commitment	Indicates whether students are required to commit to the program in earlier grades prior to graduation to receive benefits/awards.	Download only
prorated	Prorated	Indicates whether the scholarship (ie. amount awarded) varies by certain conditions (i.e length of residency).	Download only
prorated_notes	Prorated Notes	Additional information on conditions of and/or formula for proration.	Download only
req_merit	Academic Merit Requirement	Indications whether the program has eligibility requirements based on merit.	Browser interface and downloads
req_merit_hsgpa	HS GPA Requirement	Indicates whether the program has high school GPA requirements for eligibility.	Download only
req_merit_hsgpa_value	Minimum HS GPA	High school GPA value defined if required for eligibility.	Download only
req_merit_hsgpa_value_notes	High School GPA Level Required	Notes on high school GPA value.	Download only
req_college_gpa	College GPA Requirement	Indicates whether the program has college GPA requirements for eligibility.	Download only
req_college_gpa_value	Minimum College GPA	College GPA value if required for eligibility.	Download only
req_college_gpa_value_notes	College GPA Level Required	Notes on college GPA value.	Download only
req_income	Financial Need Requirement	Indicates whether the program has family income requirements for eligibility.	Browser interface and downloads
req_income_notes	Notes on Income Requirement	Notes on income requirement	Download only
req_attendance	HS Attendance Requirement	Indicates whether the program has attendance requirements for eligibility.	Download only
req_attendance_value	HS Attendance Minimum	Identifies the minimum attendance requirement for eligibility.	Download only
req_other	Other Requirements	Indicates whether the program has other requirements (merit or otherwise).	Download only
req_other_notes	Additional Requirement (merit or otherwise)	Includes the other program eligibility requirements explanations.	Download only
req_residency	Residency Requirement	Indicates whether program has a residency eligibility requirement.	Browser interface and downloads
req_residency_detail	Eligible Residency Scope	Identifies the detail of residency eligibility requirements.	Download only
req_residency_notes	Notes on Residency Requirements	Notes on residency eligibility requirements	Download only
req_graduation	Geographic Area	Indicates school district and diploma type graduation eligibility requirement.	Download only
req_enrollment_min	Years of Residency Required	Identifies the minimum number of years students must live in eligible area.	Download only
req_graduation_notes	Notes on Graduation Requirement	Notes on graduation requirement	Download only
scholarship_type	Form of Scholarship	Identifies whether the scholarship is applied before or after other aid.	Browser interface and downloads
scholarship_amount	Full or Partial Coverage	Identifies whether the scholarships pays full or partial tuition costs.	Download only
scholarship_coverage_tuition	Covers Tuition	Identifies whether the scholarship covers tuition and fees.	Download only
scholarship_coverage_roomboard	Covers Room and Board	Identifies whether the scholarship covers room and board.	Browser interface and downloads
scholarship_coverage_supplies	Covers Books and Supplies	Identifies whether the scholarship covers school related supplies.	Browser interface and downloads
scholarship_other	Other Expenses	Identifies other expenses that the scholarship may cover.	Download only
scholarship_eligibility_period	Years in Which to Use Scholarship	Identifies how long the scholarship can be used.	Download only
scholarship_eligibility_period_notes	Notes on Eligibility Period	Notes on scholarship use period.	Download only

scholarship_benefit_years	Years of Funding	Identifies how long the scholarship can be used, in credit-years.	Download only
scholarship_benefit_years_notes	Notes on Benefit Period	Notes on scholarship benefit period	Download only
postsecondary_inst_geo	Type of Eligible Post-Secondary Institutions	Identifies if the scholarship can be used at local, state or national colleges.	Download only
postsecondary_inst_geo_notes	Location of Scholarship	Notes on locality of scholarship	Download only
postsecondary_inst_scope	Number of Eligible Post-Secondary Institutions	Identifies whether scholarship can be used at a single or multiple colleges.	Download only
postsecondary_inst_number	# of Eligible Post-Secondary Institutions	Identifies the number of colleges where the scholarship can be used.	Download only
postsecondary_level	Level of Eligible Post-Secondary Institution	Identifies whether the scholarship can be used at 2- or 4-year colleges.	Browser interface and downloads
postsecondary_sector	Type of Eligible Post-Secondary Institution	Identifies whether the scholarship can be used at public/private colleges.	Browser interface and downloads
postsecondary_inst_names	Name(s) of Eligible Post-Secondary Institution(s)	A list of post-secondary institutions where the scholarship can be used.	Download only
unitid	Unit ID	National Center for Educational Statistics' Integrated Post-Secondary Education Data System school identification code(s).	Download only
emerging	Emerging Program	Indicates whether the program is still in the design and/or funding stage (has no scholarship recipients yet).	Download only
operational	Program Operational	Indicates that the program is implemented, and has at least one class of high school graduates receiving a scholarship.	Download only
ended_year	Year Program Ended	For programs no longer operational, the year the program ended.	Download only
program_awards	Program Award	Brief summary of financial award.	Browser interface and downloads
maximum_awards	Maximum Award	Highest possible award available in annual dollar amount; estimate subject to change.	Download only
benefits_summary	Benefit Summary	Brief summary of program scope and financial awards.	Browser interface and downloads
students_served		Approximate number of students served by program to date, as reported by the program.	Download only
research_available	Research Available	Where rigorous academic research is available, a link to the citation is provided.	Download only
website	Website	When available, the program's web site link is provided.	Download only
total_population	Total Population	Identifies the total population of the eligible coverage area, according to the 2011-2015 American Community Survey 5-Year Estimates.	Download only
nonwhite	Nonwhite	Percent of eligible individuals in the eligible coverage area that is nonwhite, according to the 2011-2015 American Community Survey 5-Year Estimates.	Download only
hh_income	Median Income	Median income of households in the eligible coverage area, according to the 2011-2015 American Community Survey 5-Year Estimates.	Download only
poverty	Poverty	Percent of families in the eligible coverage area whose income falls at or below the poverty level for the previous 12 months, as measured through the 2011-2015 American Community Survey 5-Year Estimates.	Download only
singleParent	Single Parent	Percent of households in the eligible coverage that are single-parent households, according to the 2011-2015 American Community Survey 5-Year Estimates.	Download only
bachPlus	Bach Plus	Percent of 25-64 year olds in the eligible coverage area that hold a bachelor's degree or higher, according to the 2011-2015 American Community Survey 5-Year Estimates.	Download only
director	Contact Person	Program Contact person	Download only
title	Title	Position held by contact person	Download only
institution	Organization	Organization with which contact person is affiliated.	Download only
email	Email	E-mail of contact person or organization.	Download only
phone	Phone	Phone number of contact person or organization.	Download only
street_address	Street address	Street address of the program office, or the main serving institution.	Download only
supplement	Supplemental information	Any weblinks or other sources that report important supplemental information.	Download only
Saturation index	Saturation	A quantitative measure developed by the Upjohn Institute that expresses the proportion of a school district's students that are likely to be eligible for the scholarship.	Download only
Intensity index	Intensity	A quantitative measure developed by the Upjohn Institute that expresses to the strength of the incentive created by the scholarship program.	Download only
