List of Figures	vi
List of Tables	viii
Acknowledgment	xi
Preface	xiii
<b>1 Introduction</b>	<b>1</b>
Disability Legislation in the United States	1
Policy Issues	3
Focus and Strategy of Analyses	5
Disabled Americans	12
Survey of Income and Program Participation (SIPP)	15
Notes	18
<b>2 Employment</b>	<b>21</b>
Unconditional and Joint Probabilities	23
Explaining the Decline in Labor Force Participation Rates	27
Pooled, Cross-Sectional Analysis	30
Evidence from the SIPP	34
Employment Probability and Firm Size	37
Conclusions	43
Notes	44
<b>3 Compensation: Wages and Benefits</b>	<b>49</b>
Wage Levels	50
Differences in Wages Over Time	51
Wage Decomposition	61
Benefit Analysis	66
Conclusions	70
Notes	72
<b>4 Hours of Work, Distribution, and Representation</b>	<b>75</b>
Hours of Work	76
Distribution of Workers	90
Representation of Workers	95
Conclusions	99
Notes	101
<b>5 Separation, Unemployment, and Job Search</b>	<b>105</b>
Separation	106
Unemployment	111

Job Search	115
Conclusions	120
Notes	121
<b>6 State versus Federal Legislation</b>	<b>125</b>
Impact on Employment	129
Impact on Wages	133
Impact on Hours	137
Conclusions	138
Notes	140
<b>7 Conclusions and Policy Implications</b>	<b>141</b>
Employment Incentives	143
Education, Training, and Job Characteristics	147
Screening and Matching	151
The ADA and Beyond	152
Notes	154
Appendix A: CPS Sample Construction	157
Appendix B: SIPP Sample Construction	159
Appendix C: Supplemental Tables	163
Appendix D: State Disability Legislation	179
References	209
The Author	217
Index	219
About the Institute	229

## Figures

1.1 Percentage of Sample and of Workers in the CPS Data Set Indicating a Work-Limiting Disability, 1981–2000	12
1.2 Average Weekly Hours of Disabled and Nondisabled Workers, CPS, 1981–2000	15
1.3 Percentage of Sample and of Workers in the SIPP Data Set Indicating a Work-Limiting Disability, 1986–1997	17
1.4 Distribution of Disabled Individuals across Disability Type, SIPP, 1986–1997	17

2.1	Percentage Employed of Disabled and Nondisabled Individuals, CPS, 1981–2000	22
2.2	Impact of Disability on Joint Labor Force Participation and Employment Probabilities, CPS, 1981–2000	25
2.3	Separate Predictions of Employment and Labor Force Participation Probabilities for the Disabled, CPS, 1987–2000	26
2.4	Distribution of Disabled and Nondisabled Workers across Firm Size, CPS, 1987–1999	40
2.5	Ratio of Predicted Employment Probabilities for Disabled versus Nondisabled Workers by Firm Size, CPS, 1987–1999	41
3.1	Average Real Hourly Wages, CPS, 1981–2000	50
3.2	Observed and Selectivity-corrected Wage Differentials and the Coefficient Effect as Percentage of Corrected Wage Differential, CPS, 1981–2000	63
3.3	Difference in Proportion of Nondisabled and Disabled Workers Receiving Benefits, CPS, 1980–1999	67
3.4	Marginal Effect of Disability on the Probability of Fringe Benefit Receipt, CPS, 1987–1999	69
4.1	Percentage of Disabled and Nondisabled Workers That Are Employed Part-Time, CPS, 1981–2000	77
4.2	Impact of Having a Disability on Being Employed Part-Time, CPS, 1981–2000	79
4.3	Impact of Having a Disability on Being Voluntarily Employed Part-Time, CPS, 1981–2000	82
4.4	Full-Time/Part-Time Wage Differentials for Disabled and Nondisabled Workers, CPS, 1981–2000	90
4.5	Distribution of Disabled and Nondisabled Workers across Occupations and Industries, CPS, 2000	91
4.6	Duncan Indices of Dissimilarity across Occupations and Industries, Disabled versus Nondisabled and Nonwhite versus White, CPS, 1981–2000	93
4.7	Duncan Indices of Dissimilarity across Occupations and Industries, by Type of Disability, SIPP, 1997	94
4.8	Correlation Coefficients, Concentration of Disabled Workers and Industry/Occupation Wage, CPS, 1981–2000	99
5.1	Weeks Spent Looking for Work by Disability Status, CPS, 1980–1999	106
5.2	Percentage of Job Separations by Type and Disability Status, CPS, 1981–2000	108
5.3	Marginal Effect of Being Disabled on the Probability of Separation Type, CPS, 1981–2000	110

5.4	Probability of Different Types of Unemployment by Disability Status, CPS, 1989–2000	113
5.5	Average Search Spell Length Differential between Unemployed Disabled and Nondisabled Searchers, CPS, 1981–2000	116
5.6	Predicted Expected Search Duration by Disability Status, CPS, 1981–2000	118
5.7	Percentage of Disabled and Nondisabled Searchers Using Each Search Strategy, Averaged over the Period 1981–2000, CPS	119
6.1	Labor Force Participation Rates for the Disabled and the Nondisabled, CPS, 1981–1991	128
6.2	Proportion of Disabled and Nondisabled Labor Force Participants That Are Employed, CPS, 1981–1991	128
6.3	Proportion of Disabled and Nondisabled Workers That Are Employed Part-Time, CPS, 1981–1991	137

## Tables

1.1	Sample Sizes for Merged CPS Data Files	10
1.2	Means of Select Demographic Variables for Disabled and Nondisabled Workers over Entire Time Period, CPS, 1981–2000	14
1.3	Sample Sizes for SIPP Data Files	16
2.1	Labor Force Participation and Employment Bivariate Probit with Selection Results, CPS, Combined Years 1981–2000	32
2.2	Change in Marginal Effect of Disability on Labor Force Participation and Employment Probabilities	33
2.3	Labor Force Participation and Employment Bivariate Probit with Selection Results, SIPP Combined Years, 1986–1997	34
2.4	Labor Force Participation and Employment Bivariate Probit with Selection Results by Type of Disability, SIPP Combined Years, 1986–1997	36
2.5	DDD Calculation for Average Predicted Probability of Employment by Firm Size, Disability Status, and across Time, CPS, 1987–1999	42
3.1	OLS Selectivity-Corrected Regression Results for Log Real Wages, across Disability Status and ADA Implementation, CPS, 1984–2000	53
3.2	OLS Selectivity-Corrected DD Regression Results for Log Real Wages, across Disability Status and Type of Disability Status, SIPP, 1986–1997	55

3.3	OLS Selectivity-Corrected Regression Results for Log Real Wages, across Disability Status, Covered Firm Size, and ADA Implementation, CPS	59
3.4	Contribution of Regressors to Log Wage Differentials, Median across Years, CPS, 1981–2000	65
4.1	Employment and Part-Time Employment Bivariate Probit with Selection Results, CPS Combined Years, 1981–2000	80
4.2	Linear Probability, Voluntary Part-Time Employment Results, CPS Combined Years, 1981–2000	83
4.3	Employment and Part-Time Employment Bivariate Probit with Selection and Linear Probability Model for Voluntary Part-Time Employment, SIPP, 1986–1997	86
4.4	Employment Growth Rates for Industry and Occupational Classifications	97
4.5	Marginal Effect of Disability on the Probability of Employment in a “High Growth” Occupation or Industry, CPS	98
6.1	Summary of State-Level Disability Legislation	126
6.2	Labor Force Participation and Employment Bivariate Probit with Selection Results, CPS, 1981–1991	131
6.3	Log Real Wage OLS Estimation with Selection, CPS, 1981–1991	135
6.4	Employment and Part-Time Employment Bivariate Probit with Selection Results, CPS, 1981–1991	139
B.1	SIPP Data Structure	160
B.2	Classification of Disabilities in the SIPP Data Set	162
C.1	Trends in the Percentages of Total Sample and of Workers Indicating a Work-Limiting Disability, CPS Combined Outgoing Rotation Groups, 1981–2000	165
C.2	Percentages of Disabled and Nondisabled Individuals Employed, CPS, 1981–2000	166
C.3	Predicted Joint Probability of Labor Force Participation and Employment and Predicted Unconditional Employment Probability, by Disability Status, CPS, 1981–2000	167
C.4	Relative Predicted Probabilities of Working in Each Firm Size, CPS, 1987–1999	168
C.5	Observed and Selectivity-Corrected Wage Differentials, CPS, 1981–2000	169
C.6	Marginal Effect of Being Disabled on the Probability of Employer-Provided Health Insurance and of Being Included in the Employer’s Pension Plan, CPS	170
C.7	Impact of Being Disabled on the Probability of Part-time and Voluntary Part-Time Employment, CPS, 1981–2000	172

C.8	The Duncan Index as a Measure of Dissimilarity in Distribution of Workers across Occupations and Industries, CPS, 1981–2000	173
C.9	Disabled and Nondisabled Job Separators by Reason for Job Separation (%), CPS, 1981–2000	174
C.10	Probability of an Employment Separation Being Voluntary and Involuntary by Disability Status, CPS, 1981–2000	175
C.11	Probability of an Unemployment Spell Being the Result of Losing a Job, Leaving a Job, Reentering the Labor Force, or Newly Entering the Labor Force, by Disability Status, CPS, 1989–2000	176
C.12	Mean Difference in Expected Duration and Predicted Expected Duration across Disability Status, CPS, 1981–2000	177
D.1	State Disability Legislation	181
