Acknowledgments	xi
Preface	xiii
<b>1 Introduction and Overview</b>	<b>1</b>
Licensing: A Historical Perspective	3
Social Benefits of Licensing	7
Quality and Demand Effects of Occupational Regulation	8
Licensing Occupations and Labor Supply	9
Are There Licensing Wage and Price Premiums?	11
Comparing Unions and Licensing	12
Focus of the Book	14
<b>2 Development of Occupational Licensing as a Labor Market Institution</b>	<b>17</b>
Development of Occupational Regulation	19
Quality First, Then Restrictions on Competition?	22
Legal Basis of State Occupational Licensing	24
How Licensing Works: A Case Study of Minnesota	26
Goals and Effort of Regulatory Boards	29
How Do Occupations Become Licensed?	31
Licensing and Quality of Services in Minnesota and Wisconsin	35
Summary and Conclusions	39
<b>3 Quality and the Demand for Occupational Licensing</b>	<b>43</b>
Why Are Occupations Regulated?	44
How Licensing Affects Quality	48
Results of Studies on the Benefits of Occupational Regulation	52
Quality Effects as Measured through Insurance Premiums	56
Estimates of the Price Impacts	59
Summary and Conclusions	62
<b>4 Licensing, Labor Supply, and Earnings</b>	<b>65</b>
Theoretical Background	66
License to Drill: Differences in Earnings of Dentists and Physicians	67
Studies on the Impact of Licensing	71

Earnings of Licensed Versus Unlicensed Occupations	75
Partial State Regulation of Occupations	84
Small Differences in Licensing Rules That May Matter	89
Conclusions	94
<b>5 State Regulatory Policies and the Economy-wide Impacts of Licensing</b>	<b>97</b>
State Data on the Number of Licensed Occupations and the Number of Workers	98
Workforce Coverage of Licensed Occupations by State	102
Trends in the Regulation of Licensed Occupations	105
Licensing and Economic Losses to Society	112
Conclusions	116
<b>6 Comparing Licensing in the United States and the European Union</b>	<b>119</b>
Occupational Regulation in the EU	120
Governmental Limitations on Regulated Occupations in the EU	126
Estimates of the Impact of Licensing on Earnings, by Country	128
Impact of Licensing on Earnings in the UK, France, and Germany	134
Implications for Occupational Regulation	136
<b>7 The Emerging Labor Market Institution of Occupational Licensing</b>	<b>139</b>
Emergence of Occupational Licensing	141
The Benefits and Costs of Standardization	142
Employment Growth of the Same Occupations in Regulated and Unregulated States	144
Major Findings	147
Public Policy Implications	151
<b>Appendix A: Criteria for Regulating Occupations for Legislators and a Questionnaire for Occupations Seeking Regulation in Minnesota</b>	<b>159</b>
<b>Appendix B: Data Sources</b>	<b>163</b>
<b>Appendix C: Occupations Analyzed in the United States Using Multivariate Techniques</b>	<b>167</b>
